

## Speaking in Tongues

by Lucciana Costa

When she says I don't trust easily, she means  
Talk to me  
When he says I don't understand, he means  
I'm so sorry

All this time we've wasted, speaking in tongues  
I think I've tasted what's different about us  
Ooh, ooh

When she says "you're so difficult," she means  
What's wrong with me?  
When he says I don't want to be here right now  
He means  
Please stop me from leaving  
I don't want to go  
I've always believed in you and I want you to know

All this time we've wasted, speaking in tongues  
I think I've tasted what's different about us  
Ooh, ooh

When I say I love you, I mean  
I love you  
When you say that you love me too  
I know, you really do  
And I'm done wasting my time  
Speaking in tongues  
I think I've finally tasted what's different about us  
Ooh, ooh, ooh
